	pH	**2.80**		
	TA	**10.1 g/L**		
	Alc	**13.6%**	**Release:**	**TBD**

Winemaker's Style Notes:

Our Chelan Valley Riesling is defined by intense honeysuckle and mineral aromas and flavors. It has a lush, mouth-filling body with brisk tanginess and a tart, lingering finish. The consistently cooler temperatures of the valley, combined with a mild 2011 vintage, yielded a Riesling that is perhaps unique to the Chelan Valley: fully ripe, but with exceptional acid retention and an extremely clean and pure fruit and mineral expression.
