Technical - Release Information

Varietals:	100% Pinot Noir	Wine Chemistry:	ABV 13.9%
AVA:	LAKE CHELAN	Bottle Date:	March 2018
		Release Date:	September 2018

Winemaker Tasting Notes

100% Pinot Noir. Crack open a bottle of this 2016 Pinot Noir, and you are seduced by currant and cherries, vanilla, spice, and a bit of smoky aroma. This wine is lighter in color than some, but the earthy intensity of the flavor shines, just as a Pinot Noir should- the old-world character of this wine screams out proudly! But this is not a lean, austere wine. Bold flavors, and a nice, balanced acidity makes this an outstanding food-friendly wine. This will pair nicely with earthy dishes, such as nice mushroom risotto, or a rich and gamey duck ragu.
