Winemaker's Note:

Aged in French oak barrels for 30 months, this beautiful single-varietal Cabernet Sauvignon expresses herbaceous notes of peppers and cassis, with a subtle note of graphite on the nose. Your palate will be welcomed with flavors of black cherries and rich dark chocolate that make way for well-integrated tannins and a lingering finish. We recommend decanting this wine for at least an hour before serving with a deliciously mouthwatering Kobe beef hamburger topped with smoked gouda cheese.
