

VIN DU LAC

VINEYARD, FARM, BISTRO, WINERY

2021 Malbec

Technical
Varietal Composition:
100% Malbec

Source:
Lake Chelan AVA
Dry Lake Vineyard

ABV: 14.7%

Cases Produced: 125

Winemaker's Note:

Sourced from Dry Lake Vineyard in beautiful Manson, Washington, we are excited to add Malbec back to our varietal line up after a ten year-plus hiatus! On the nose, you will find notes of black cherries, sweet tobacco, and violets. Firm tannins compliment flavors of black olives and blackberries on the palate. The linger finish makes this a wine that was made for a juicy ribeye! We encourage laying this wine down for at least a year to allow this complex bottle to evolve.
