Winemaker's Note:

The 2021 vintage of this delightful Méthode Champenoise produced sparkling rosé of Pinot Noir is one you won't be able to stop sipping! Bright notes of white peaches and fresh raspberries on the nose compliment the zesty notes of Rainier cherries and almonds on the palate. The pale salmon color courtesy of the Pinot Noir highlights the fine bubbles that are found in your glass. We welcome you to enjoy this delightful wine with a selection of soft cheeses or a classic brunch dish of fried chicken and waffles.
