## 2020 Syrah

Technical  
Varietal Composition:  
100% Syrah

Source:  
Columbia Valley AVA  
Peregrine Vineyard

ABV: 15.1%

Cases Produced: 173

### Winemaker's Note:

Sourced just miles from charming estate property, this single-varietal Syrah was aged in 67% neutral French oak, and 33% new French oak for 20 months. We are delighted to discover it boasting intense aromas of anise, blackberry, and sweet tobacco. On the palate, you will find notes of fresh plums and savory olives complimented by lingering finish with well integrated tannins. We recommend decanting this wine for an hour before enjoying with lamb shawarma.
