

VIN DU LAC

VINEYARD, FARM, BISTRO, WINERY

2022 Chardonnay

Technical

Varietal Composition:
100% Chardonnay

Source:
Summit Vineyard
Lake Chelan AVA

ABV: 14.0%

Cases Produced: 220

Winemaker's Note:

Sourced from Summit Vineyard in the Lake Chelan AVA, a third of this delightful cool climate Chardonnay was aged in stainless steel, while the remaining was aged in a combination of new and neutral oak. This has presented us with beautiful aromas of Asian pear and starfruit on the nose. Your palate will be greeted with flavors of lemon curd, butterscotch and a distinct minerality driven by the Lake Chelan terroir. We recommend enjoying this wine with a classic seafood risotto.
