### Winemaker's Note:

This delicious and refreshing Pinot Gris was sourced moments away from our estate vineyards and grounds at Dry Lake Vineyard in Manson, WA. Aromas of white peach and melons are on the nose, while your palate experiences zippy flavors of lime zest and nectarines. Grown in a cooler climate, this Pinot Gris is fully of zesty acidity and a delightful lingering finish. We encourage you to pair this wine with a lemon butter cod served on a bed of fresh garden vegetable risotto.
