2022 Pinot Noir Rosé

Technical
Varietal Composition:
100% Pinot Noir

Source:
Lake Chelan AVA
Chelan Estates Vineyard

ABV: 14.0%

Cases Produced: 150

Winemaker's Note:

Sourced from the beautiful south shore of Lake Chelan, this Pinot Noir will be a perfect addition to your summer sipping lineup! The pale salmon color is the result of just two hours of skin contact after pressing the grapes. On the nose you will find delightful aromas of freshly picked strawberries and watermelon, while your palate is greeted by ruby red grapefruit and cherries. This wine will pair beautifully with a herb roasted chicken with grilled vegetables.
