2022 Sangiovese Rosé

Technical
Varietal Composition:
100% Sangiovese

Source:
Columbia Valley AVA
Ribbon Cliff Vineyard

ABV: 13.7%

Cases Produced: 75

Winemaker's Note:

We are excited to release our first ever Rosé of Sangiovese. Sourced from Ribbon Cliff Vineyard on the beautiful Columbia River, this rosé saw eight hours of skin contact resulting in a pleasing medium salmon color. Refreshing notes of nectarines and strawberry is on the nose, while your palate enjoys flavors of tart cherries and ripe raspberries. This summer sipper will pair beautifully with a classic prosciutto wrapped melon appetizer and marinated mozzarella.
