Columbia Valley AVA

ABV: 14.0%

Cases Produced: 75

### Winemaker's Note:

From homes grow all that is important: Family, belonging, and community. And now, it takes community to build homes. At least 10% of each bottle purchase will be donated to the Chelan Valley Housing Trust to help build affordable homes in our dynamic and unique community. This delightful red blend will draw you in with notes of ripe blackberries, plums and and cherries. The firm tannin structure makes this a food-friendly red blend.
